Homecoming 1991 got off to a Rockin' start with many fun activities. Each day of the week had a different theme and contest between different organizations. Some of the events included the Hog Calling contest in which students competed to have the best "Suey!" The ever-popular Miss Rowdy contest gave the organizations a chance to strut their stuff to the team's mascot, Rowdy, so they could win his heart. Next, was a rap contest arousing students to praise the abilities of our team. Even the faculty was involved as they gave a fashion show. The campus had an unusual surprise in this event when Harold, from the campus store, showed up as Elvis.

Homecoming culminated over the weekend with the Lip Sync contest on Friday night in Simpson, and the game on Saturday night. The Panthers took on the Montevallo Falcons. Both teams played well, but the Panthers were squeezed out in overtime by a score of 69-65. After the exciting game the Icons played in Simpson. All in all Homecoming 1991 was a great success full of events not soon to be forgotten.

Dr. Berte crowns Leah Garrett the new Homecoming Queen. Miss Garrett was escorted by Mark Seib. (Below): Alicia Fritz stimulates the fans against Montevallo. (Below right): Chi Sigma Chi's compete in the Rap competition.

Flag Dedication for BSC Students

On Thursday, February 14, nine Birmingham-Southern students who have been called for active duty as a result of Operation Desert Storm were honored. The families of each student were asked to participate by raising a flag on one of the nine flag poles. The flags were dedicated to the following soldiers: U.S. Army Sgt. Lee B. Allen, Army LCPL Wells Amis, U.S. Marine Corps CPL Scott Ferguson, Army Capt. Reynold N. Hoover, USMC CPL Lloyd R. Lane, USMC LCPL William M. Marks, Army SSG Betty D. Sheppard, Army Sgt. Jesse Smedley, and Army EA3 Brian Mitchell White. After the dedication, each of the mothers present were presented with yellow roses and the families attended a luncheon in Stockham Parlor.

Dr. Neal Berte is one of the foremost educators in the nation and an exemplary member of the Birmingham community. The honors and awards bestowed upon Dr. Berte more than indicate his success as an educator and his service to the community. He earned three degrees from the University of Cincinnati, including an education degree. In 1979, Dr. Berte was given an honorary Doctor of Humanities degree from Birmingham-Southern College for his service to the school. Dr. Berte has been president of the college since 1976, and lives with his wife Anne, and their four children on campus.

CONSERVANCY

In its second year of operation, the BSC Conservancy has continued to be a valuable asset and a highly visible organization on campus. Recent awards include a prestigious nomination for the Governor's Conservation Award and recognition in the print media as being the only college in the South with a model environmental program.

The BSC Conservancy has been especially active in working with local conservation groups by planting pine saplings and educating children on the importance of recycling.

Fundraising has also played into the organization's obligations as they sold T-shirts to raise dollars to go towards repair in the Birmingham Botanical Gardens after the Gardens were hit by a disastrous storm.

Todd Harris, David Dill, Natalie Myer and Stewart Jackson perform at the Fountain for Earth Day.

Lucille Parker and Rosa Favor spend time gardening in the yard of their nursing home. The Conservancy donated flowers for the project.

The Birmingham-Southern College Chapter of Alpha Chi Omega was established in 1926. The sisters of Alpha Chi Omega have been busy participating in campus wide activities as well as chapter activities. Alpha Chi puts on a fundraiser called Casino in the spring to raise money for their philanthropies which include Easter Seals and McDowell Colony.

Alpha Omicron Pi, an international women's fraternity, was founded on January 2, 1896 at Barnard College in New York. Tau Delta Chapter was established at Birmingham-Southern College in 1925. Since 1941, members of the Tau Delta have hosted Mr. Hilltopper, a campus-wide philantropy project each year in which all proceeds go towards Arthritis Research. We were also very active in several other community activities such as Habitat for Humanity, McCoy Tutoring, Outreach Day, and Urban Ministries. Alpha Omicron Pi encourages the pursuit of excellence and lasting friendships in the lives of its members.

Chi Omega, a national women's fraternity, was established at Birmingham-Southern in 1988. Since then, the Omicron Lambda Chapter has contributed much to the campus community and Greek life in general. Chi Omegas devote their time to philantropies such as Hannah Home and Kids on the Block, but also find time to socialize at fraternity mixers, Fall Party, and Spring Formal. Chi Omegas are also actively involved in both community and campus organizations. Chi Omega is a lifelong experience that inspires friendship and personal growth.

The Alabama Alpha Chapter of Pi Beta Phi has enjoyed an excellent first year at BSC. We have participated in campus activities such as intramurals and Outreach Day. We won first place for our skit in Mr. Hilltopper and for the highest percentage for participation in Circle K's fall and spring blood drives. Our first year has been very successful, and we are looking forward to growing in the future.

The Beta Beta Chapter of Alpha Tau Omega was founded at Birmingham-Southern in 1885. We are proud of our diversity as a fraternity, and we are equally proud of the strong bond of brotherhood that we maintain among each of our members.

Assistance and loyalty, though, is really the core of being an Alpha Tau Omega Man. Based upon ideals that are honorable and timeless, our fraternity is dedicated to instilling in each brother, the pride and desire for excellence that is worthy of the Alpha Tau Omega badge.

Kappa Alpha was founded on the premise of excellence, and we at Phi Chapter strive to maintain this standard in all aspects of campus life. Scholastically we have the highest GPA requirement for initiation on campus and the highest of KA Chapters anywhere. Muscular Dystrophy is our national philantropy, however, our commitment to service has benefitted such organizations as the Firehouse Men's Shelter, Urban Ministries, and Habitat For Humanity. The quality of men of Phi Chapter encourages loyalty to Kappa Alpha and each other forever.

On June 28, 1855, seven bold men founded the Sigma Chi Fraternity at Miami University. These men formed their brotherhood based on the high ideals exemplified by the white cross. In September 1989, Sigma Chi established Chi Sigma Chi Fraternity at Birmingham-Southern College. During the two years that Chi Sigma Chi has been on campus, they have established themselves within the community as well as among their fellow students and faculty. The members of Chi Sigma Chi have actively and successfully been working towards obtaining their charter from Sigma Chi.

The Alabama Iota Chapter of Sigma Alpha Epsilon was established on November 23, 1878 at Birmingham-Southern. In the past nine years, Alabama Iota has been recognized three times as the best SAE chapter in the nation. Our fraternity strives to excel in all aspects of college life — academics, social, and athletics. We are involved in community service projects such as Habitat for Humanity, Men's Shelter, Urban Ministries and McCoy Tutoring. It is through the close interaction with the brothers and bonds we share that enables SAE to establish friendships for a lifetime.

In five years the Lambda Theta Chapter of Sigma Nu has risen to the top in all areas of Greek life. Central to our success is a desire to balance scholarship with an active social life. Sigma Nu has held the highest combined GPA among campus fraternities for the past three years.

We have a strong commitment to community service and have applied ourselves in projects for the Children's Hospital, American Cancer Society, Men's Shelter and Urban Ministries.

Most importantly, however, is the strong brotherhood we share.

The flowers, cards and support everyone showed was amazing — an apt testament to how much David had touched the lives of others. He always wanted to make people laugh; that was his big kick in life. We often compared him to a stand-up comic.

David Avsharian showed up at rush three years ago as some goofy kid from Opelika with big glasses, a floppy black hat and a huge grin. His name tag said "Dave Friendly" — we really didn't know what to make of this character until his first funny wisecrack, then his second, then his third . . . Here was someone very special who could perhaps teach us to see life differently, as a place with no shortage of humor. David wasn't much into "things" — he had music, his art, his books and his friends. Almost anything he had was yours in need — blankets, cigarettes, a car ride; but most importantly, his love and companionship.

He took people very seriously. David helped us with our problems, but he was reluctant to burden people with his own. I think his laughter was his own unique way of crying. We saw David mature over three years into a kind and funny person, seldom to have serious angers or to lose his independence.

This picture is of David at a friend's beach house in spring of '91. He died on April 28, 1991. The calendar in his room said "National Humor Month".
